

Custom Molded Rubber Components

- Homogeneous Elastomeric Components
- Bonded Rubber-To-Substrates Including
 - ◆ Rubber-To-Metal
 - ◆ Carbon Steel
 - ◆ Stainless Steel
 - ◆ Aluminum
 - ◆ Brass
 - ◆ Bronze
 - ◆ Rubber-To-Plastic
 - ◆ Nylon
 - ◆ PEEK
 - ◆ PES
 - ◆ PVDF
 - ◆ Glass & Mineral Filled
 - ◆ Composites
 - ◆ Rubber-To-PTFE
 - ◆ Fabric Reinforced
- Trimless Molding
- Flashless Molding
- Multi-Component Assemblies
- Special Packaging
- Value Added Services
- 40 Molding Presses
- Platen Sizes: 12" x 12" up to 42" x 42"
- Molding Processes
 - ◆ Injection
 - ◆ Transfer
 - ◆ Compression
- RRPrototypes™ (Robinson Rapid Prototypes)
- GRI™ (Global Resource Initiative)

Precision Ground Rollers

- High Volume Molded Rollers
 - ◆ Custom Formulated Rubbers
 - ◆ Highest Precision of Grinding
 - ◆ Rollers "Molded to Finish"
- Custom Built Rollers
 - ◆ Mandrel Wrapped and Strip Built
 - ◆ Diameters from 1/2" to 22"
 - ◆ Lengths from 1/4" to 144"
- RRP/R³™ (Robinson Rubber Products/Roller Recovery & Repair)
 - ◆ Roller Cores
 - ◆ Roller Bearings
 - ◆ Roller Recovering
- RRP² (Robinson Rubber Products/Rapid Roller Program)
 - ◆ Exceptional 5-Day or Less Turnaround ARO
- Factory Authorized Roller Recovery

Custom Extruded Profiles

- RRProfiles™ (Robinson Rubber Profiles)
 - ◆ Specialty Formulated Rubbers
 - ◆ Continuous or Cut-To-Length

Compound Selection

- In-house Mixing Capabilities
- Over +1,500 Rubber Formulations
- 20 Engineering Grade Elastomers
- Full Range of Compound Formulation Capabilities
- Formulation Development Specifically to Meet Your Demanding Applications
- Conductive Materials
- Fuel Resistant Materials
- FDA Compliant Materials

Component Types

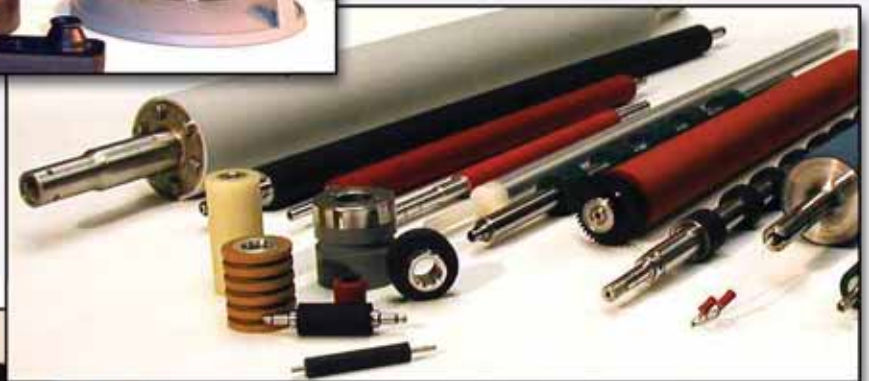

- Power Transfer Assemblies
- Vibration Mounts
- Vibration Isolators
- Motor Mounts
- Bushings
- Impellers
- Diaphragms
- Check Balls
- Bellows
- Butterfly Valve Seats
- Convuluted Boots
- Protective Boots
- Bulbs
- Special Seals
- Seats
- Rollers
- Roller Assemblies
- Roller Assemblies with Heated Cores

Markets and Industries Served

- Agricultural, Off-Highway and Heavy-Duty Vehicle
- Small Engines and Lawn/Garden Equipment
- Pumps, Motors, and Compressors
- Marine Propulsion and Recreational Vehicles
- Fluid Control, Measuring, and Metering Devices
- Fluid Power and Filtering Devices
- Valves and Control Devices
- Heat Transfer and Refrigeration
- Printing, Business, Imaging, and Photographic Processing Equipment
- Semiconductors and Computer Related Applications
- Electronics and Telecommunications
- Food and Beverage Processing, Packaging and Bottling Equipment
- Industrial and Personal Safety Equipment
- Industrial and Electro-Mechanical Controls
- Material Handling Equipment
- Automation, Conveying, and Process Equipment
